JUSTICE SEEN  
JUSTICE DONE

## Wollaton Park

Wollaton Park is being maintained and improved by offenders on Community Payback, making one of Nottingham's favourite green spaces cleaner and safer for all.

Jobs carried out across the site include: tidying of car park and children's play areas ☐ cleaning and varnishing memorial benches ☐ painting railings ☐ litter collection ☐ clearing an area to be used as a 1940s garden ☐ repairing the brickwork of outbuildings ☐ clearing overgrown areas to allow access to storage facilities ☐ repairing and redefining pathways

"This is an excellent example of what can be achieved through a joined up approach to working and we are very grateful for the valuable work that has been undertaken in Wollaton Park. We are extremely pleased to be able to provide Nottinghamshire Probation Area with opportunities for the offenders to use their skills to serve the local community in this way".
